Location: *Classes are held at the Italian Workmen's Club (IWC), 914 Regent, 53715, Madison. Location may change based on enrollment.*

Classes info:

1. Basic notions of Italian for very beginners. Students will learn simple grammar, vocabulary and sentences to ask and answer fundamental questions. Open to adults and teens.
2. This course will focus on teaching students how to read signs, simple emails, informalive leaflet, and how to translate a letter or a simple composition such a card or a piece of information. Basic knowledge of any romance language would be helpful.
3. This course will encourage students in using Italian for simple conversations, expressing opinions and exploring culture. Active participation and previous Italian knowledge is required. Topics will range from wine culture to art.
4. This children class is a workshop-based language and art class. Children will paint Italian masterpieces and learn about art. Italian basic vocabulary and colors will be practiced. Other activities will be included. Detail program will be given first day of class. Location TLA (For this class check payable to Maristella Cantini)
