Course info

- 1. Camp has limited openings. Snack and Lunch included.**

2. This course is a review of Italian 1-2-3 It is intended for students who attended previous courses of Italian and need to refresh some grammar. Open to anyone.
3. This course requires at least 3 previous courses of Italian.
4. Advanced Italian Conversation course is conducted entirely in Italian. All material is from original sources.
5. This course is for students who cannot join a class due to schedule conflicts Same format as a regular course.
6. This is a coach-style support for undergraduate students based on their program and level of Italian knowledge. Customized course depending on student's time, tests, and finals.
7. *Italian for travel* is a fun, brief course about Italian things you need to know while traveling. A variety of simple but useful materials will be used and provided to our students. No grammar, just basic sentences. In person.
8. This class is for students with no previous Italian knowledge.

Please send completed form with check payable to Tuscany Language Academy and mail to TLA, 5522 Comanche Way, Madison, 53704. Call or text for inquiries.

How did you find us?

Previous exposure to foreign languages

I understand that recording a class without permission, or taking pictures, is not allowed at all times and under any circumstances. The privacy of our students and teachers is a priority. During Zoom classes, screens have to be on at all time, learning a language is not a corporate meeting, it requires participation, attention for other people and visual exposure. Fees are due by the first day of class, unless otherwise discussed with Stella.

Date.....
